Eggs Distribution and feeds for sale: A Hidden Gold Mine In Nigeria. ☎ 09038581643.

Eggs distribution is a hidden gold mine but unfortunately, only a very few people knows that this

business can make you a millionaire over time. The current retail price for a crate of egg is between N900 - N1,100. Now, if you buy from us at farm gate price of N650 per crate and you sell for N1,100 per crate, that is a whopping #450 naira gain on top of each crate, calculate that times 1,000 crates and you will see the profit potential of this business. The first thing to do if you want to invest in egg distribution Business is look for a reliable and trustworthy farm like our farm that is capable of supplying you steadily and without transportation cost.

For booking CALL/Whatsapp: 📞09038581643

FARM GATE PRICE

LARGE: ----- N650 Per Crate

MEDIUM: ----- N550 Per Crate

SMALL: ----- N450 Per Crate

We guarantee you of "zero risk purchase" experience in our farm. We do our best to ensure every customer is very satisfied by our products. We make sure you get your products as specified and in time. We ensure you get exactly what you order for and also make sure you get your items in time.
